

HELP STUMP OUT **BREAST CANCER** THIS SEASON

BREAST CANCER

BREAKTHROUGH

Breakthrough Breast Cancer is a pioneering charity dedicated to the prevention, treatment and ultimate eradication of breast cancer.

New statistics show that the lifetime risk of a women getting breast cancer in the UK has risen to one in eight. Although more women are surviving breast cancer than they did ten years ago, we clearly have much further to go. We need your support now more than ever.

“ Running out at Lord’s in the pink of Breakthrough gives all of us in the Middlesex side a huge sense of pride, and thanks to the support of our fans, members and sponsors we’ve managed to raise over £100,000 for the charity so far.

This year we are asking for your support. It would be fantastic if you could kindly donate a percentage of your match fees and organise some fundraising activities to help beat breast cancer and save more lives.

If you take part, your club could be in with the chance of winning some incredible prizes, from tickets to come and watch the Panthers play at Lord’s, to winning a visit from one of the Middlesex squad, there’s tons of goodies up for grabs! ”
